Most items may be rented for a day, week or weekend. One-day rental equipment is due back 24 hours from the time of pickup. A late fee (equivalent to one-day rental) will be charged for equipment not returned on time. Weekly rentals must be returned by noon, seven days after pickup. Weekend rentals begin on Friday and are due back by noon on the following Monday. A 48-hour cancellation notice is required to receive a full refund on reservations.

We reserve the right to keep your deposit for failure to return any equipment item clean and damage-free.

Ski rental policy:

Daily: rental period lasts for 24 hours from time of pickup to time of return.

Weekend: rent on Friday, return Monday by noon.

Weekly: equipment must be returned by noontime, 7 days after pickup (e.g., Friday-Friday)

All other rental transactions will be on a day-to-day basis. All ski equipment is on a first-come, first-served basis unless prepaid for in full. Failure to show at designated times for pickup of equipment will result in loss of refund unless prior arrangements have been made at the Outdoor Recreation office. A 48-hour cancellation notice is required for all reserved equipment for a full refund. Prepayments can be made no more than 7 days in advance.
